

Please park your car in a more convenient location.

Oyster Harbor Citizens Association is responsible for managing the community's roads and has a policy that vehicles should not be parked on the road where they could obstruct traffic. Four homes in the community have been destroyed by fire in the last year and the community is very aware of the need to provide easy access to fire equipment on the community roads. Please be advised OHCA has the right and responsibility to tow vehicles not in compliance with community policy.
